Coimbatore - 641 014 □ Tamilnadu

**TWO DAY WORKSHOP
ON
“RESEARCH METHODOLOGY”
JANUARY 7 & 8, 2012**

Host Institution

Dr. G.R. Damodaran College of Science was started in the year 1988, affiliated to the Bharathiar University and approved by the Government of Tamilnadu as well as by the All India Council for Technical Education and UGC. The College offers 11 Post Graduate, 15 Undergraduate and 5 PG Diploma Programs, all of which are career oriented. Doctoral studies and M.Phil. programmes are offered in Social Work, Commerce, Biotechnology, Computer Science, Management, Communication, Biochemistry and Microbiology. The College has been re-accredited at the ‘A’ Grade level by the National Assessment and Accreditation Council (NAAC), since 2009. It is both the youngest institution and the first self-financing college in India to secure such a rating and has achieved the autonomous status in the year 2004. The College has received the ISO 9001 : 2008 certification as well. The College is associated in several DST, DBT and UGC sponsored projects and has been playing an active role in information dissemination through several national level seminars in areas of social work and other disciplines. The College as the partner institution operates the IGNOU sponsored GYANVANI FM Radio (Coimbatore) Station which caters to the spread of knowledge and awareness at several levels among the different sections of the community in areas such as science and technology, social sciences, agriculture, rural development, environment, philosophy, history, civic affairs, etc.

About us

GRD School of Social Work was started in the year 1989. In the span of 22 years, it has become the leading centre of social work education in the region, noted for its high academic standards. Its students are drawn from all over the country. GRDSSW students are equipped to appreciate the emerging needs of the society and devise the strategies to confront the challenges posed by the social environment. GRDSSW moulds its students into becoming excellent professional social workers and organizers. The MSW program aims at organising professional activities directed at improving human and social conditions and alleviating human distress and solving social problems. The Course also aims at preparing social workers as caring professionals to work with people, to enhance their competence and functioning, to access social support and resources, to create human and responsive social services and to expand the structures of the society that provides such opportunities.

Background of the Workshop

GRD School of Social Work, Dr. G.R. Damodaran College of Science is happy to inform that we are conducting a Two-Day Workshop on “Research Methodology” for Research Scholars and Academicians. It is aimed at providing knowledge in different areas of research. It also targets to discuss the practical challenges encountered and the proper approaches to be adopted in the relevant areas of the research.

Course Style

The course is designed with balanced combination of lectures, discussions and hands on.

*Those who finalise their research topics can send the research proposals of the study on or before 28th December, 2011 to get the **TECHNICAL CORRECTIONS.***
