The IQAC meeting as convened by the Principal, Dr T Santha

The IQAC coordinator presented the activities proposed by the cell and the progress of activities carried out by the various departments.

The Chairman, IQAC insisted to conduct FDPs, workshops and National Conferences by the departments during this odd semester. Faculty members are encouraged to

participate in National / International Seminars, Conferences, Workshops, FDPs and Refresher Programmes organized by the other institutions.

It is proposed to invite the alumni members of our college for interaction with students regarding their higher studies and placement opportunities.

The Chairman, informed the faculty members to prepare e-content for their subjects to enable the students to update themselves during e-learning. Initially Multiple Choice Question banks were suggested to prepare.

The Principal proposed that the departments should prepare the curriculum according to the UGC recommended Learning Outcomes based Curriculum Framework (LOCF) from the 2020 batch and the syllabus updations can be done accordingly.

To create an environmental awareness among students, activities related to World Environmental Day and subjects related to environment were planned.

The faculty and research scholars registered for M.Phil and Ph.D may be motivated to complete their research.

The Principal advised the faculty members to enrich their publications further. They are in turn asked to publish the outstanding research work of the PG, M.Phil & Ph.D students. Faculty can guide them appropriately and can motivate them to make use of the inhouse journal WIDESPECTRUM.

The members discussed about the purchase of sophisticated equipments for the School of Biotechnology and proposed to purchase Deep Freezer, Colony Counter etc. and cameras for School of Communication.

The members discussed that student's participation in sports should be encouraged and facilities for the students should be updated.

A detailed plan of action for the Odd Semester 2019-2020 is to be submitted by the individual department to the IQAC Committee.

The meeting ended with thanking all the members for their cooperation.

The IQAC meeting as convened by the Principal, Dr T Santha

The IQAC coordinator presented the progress of activities carried out by the various departments during the odd semester and the proposed the plan of action for even semester.

It is proposed to organise Industrial Visits/Personality Development Programmes/Outdoor Seminars/Onsite Visit for the UG and PG students.

The Principal suggested to organize the Board of Studies meeting to approve the syllabi prepared according to the UGC recommended Learning Outcomes based Curriculum Framework (LOCF) from the 2020 batch.

The Chairman, IQAC insisted to prepare placement brochures with department highlights, infrastructure and student's achievements and circulate the same to the industries. Arrangements should be made for conducting in-campus placement meetings and ensure the students are trained with Aptitude, softskills etc.

The Annual Report and IQAC report of the departments should be prepared and the same should be submitted to the IQAC cell.

ISO surveillance audit is planned during January 2020, departments should update the ISO files and other records according to the referred clauses.

The final year students will appear for their arrear examinations during the month of March. Faculty members are advised to conduct remedial classes to extent their support.

The Principal advised the faculty members to publish their research work in UGC recognized journals.

Feed Back from students, parents and faculty members should be entered in the Edumanage software before their final examinations to improve the teaching, learning process.

A detailed plan of action for the Even Semester 2019-2020 is to be submitted by the individual department to the IQAC Committee.

The meeting ended with thanking all the members for their cooperation.
