The committee reviewed the activities of the various departments during the academic year 2019-2020 and reported as below:

- The e-contents developed by the faculty members are impressive and suggested that the faculty should ensure the e-contents are correctly reach the students in time to update themselves during e-learning.
- Multiple Choice Question banks are already available for all courses. The number of questions should be increased.
- UGC recommended Learning Outcomes based Curriculum Framework (LOCF) introduced from the 2020 batch with updated syllabus. The subjects questions papers should be prepared according to the knowledge levels recommended for each unit.
- To create an environmental awareness among students, activities related to environmental issues should be encouraged.
- Faculty members should enrich their publications further. They are in turn asked to publish the outstanding research work of the PG, M.Phil & Ph.D students. Faculty can guide them appropriately and can motivate them to make use of the in-house journal WIDESPECTRUM.
- The faculty and research scholars registered for M.Phil/Ph.D may be motivated to complete their research in time.
- The committee reviewed the updation of modern equipments and instruments in Science laboratories.
- The placement brochures highlighted the infrastructure and student's achievements.
- Remedial classes conducted for the students who have arrear in previous semesters helped them to complete their arrears.
